

AYVYA

DPIIT RECOGNIZED STARTUP

GOVT. OF INDIA VALIDATION OF STRUCTURED INNOVATION AND GOVERNANCE

GLOBAL FINANCE & CAPABILITY SOLUTIONS

SECURE. GOVERNED. PRACTITIONER-LED DELIVERY FROM INDIA

TRUE BUSINESS EXTENSION TAILORED TO YOUR BUSINESS

LOCAL COMPLIANCE. GLOBAL ALIGNMENT. PRACTITIONER-LED DELIVERY

OUTSOURCING SERVICES

ACCOUNTING & CPA SUPPORT FROM INDIA

OUTSOURCED ACCOUNTING

- Bookkeeping & financial reporting with close discipline
- Month-end & year-end close with governance controls
- Payroll processing with compliance-aligned support
- Tax coordination and audit-ready documentation
- CFO-level insights grounded in operational execution

CPA FIRM SUPPORT

- Audit assistance with review-ready workpapers
- Advisory and strategic financial planning support
- Regulatory and compliance-oriented accounting work
- Specialized accounting & one-off client engagements
- Predictable capacity without permanent staffing risk

India-based teams operating as an extension of your finance function, not a back office.

GCC SOLUTIONS

BUILD | SCALE | OPERATE IN INDIA

SETUP

- Entity, compliance, governance & operating model.
- Hiring aligned with parent-company standards.

SCALE

- Structured team expansion with standardized processes.
- KPI-driven performance management and cost predictability

SUPPORT

- Ongoing governance, talent management & ops. oversight.
- Audit-ready execution with direct parent-company alignment.

NANO GCC

SME Model: Right-sized entry GCC with finance capability for growing businesses.

Specialized Skills Model: Lean, Specialized GCCs for cutting-edge technology, Analytics, & high-impact innovation

Tailored GCCs built for cultural fit, governance, and long-term value.

AYVYA APPROACH

GOVERNANCE BEFORE SCALE

- **We understand you better** through a deep understanding of requirements
- **Practitioner-led** design aligned to parent-company controls
- Built to operate as a **true business extension,** not outsourcing

WHY AYVYA

- **Practitioner-Led Delivery** - Senior finance & audit leaders involved end-to-end
- **70+ Man-Years of Experience** - Supporting SMEs, CPA firms & large enterprises
- **Data Security & Privacy by Design** - Role-based access, SOC-aligned controls
- **Local Compliance, Global Alignment** - India execution aligned to US GAAP & global standards

Build global finance capability without losing control.

Speak with AYVYA about a governed, India-based delivery model that fits your business.
