AYVYA

DPIIT RECOGNIZED STARTUP

GOVT. OF INDIA VALIDATION OF STRUCTURED INNOVATION AND GOVERNANCE

GOVERNED GLOBAL FINANCE & GCC SOLUTIONS

SECURE. GOVERNED. PRACTITIONER-LED DELIVERY FROM INDIA
TRUE BUSINESS EXTENSION TAILORED TO YOUR BUSINESS

LOCAL COMPLIANCE. GLOBAL ALIGNMENT. PRACTITIONER-LED.

EXECUTIVE SUMMARY

AYVYA Consulting is a **practitioner-led firm** helping **startups, SMEs,** and **CPA firms** build secure, governed finance operations and Global Capability Centers in India. We understand you better through a deep understanding of requirements and align delivery to operate as an extension of the parent company - not an outsourcing center.

WHAT AYVYA DOES

OUTSOURCING SERVICES

ACCOUNTING & CPA SUPPORT FROM INDIA

OUTSOURCED ACCOUNTING

Governed accounting delivery covering bookkeeping, reporting, payroll, tax coordination & CFO-level insights - secure, compliant & aligned to parent-company standards.

CPA FIRM SUPPORT

India-based teams providing audit-ready workpapers, advisory support, and predictable capacity - embedded into CPA firm workflows with practitioner-led oversight.

India-based teams operating as an extension of your finance function, not a back office.

GCC SOLUTIONS

BUILD | SCALE | OPERATE IN INDIA

SETUP | SCALE | SUPPORT

End-to-end GCC setup, scale, and steady-state support—designed as true business extensions with strong governance, cultural fit, and long-term value.

NANO GCC

SME Model: Right-sized entry GCC with finance capability for growing businesses.

Specialized Skills Model: Lean, Specialized GCCs for cutting-edge technology, Analytics, & high-impact innovation

Tailored GCCs built for cultural fit, governance, and long-term value.

AYVYA ADVANTAGE

Practitioner-Led Delivery: Senior finance and audit leaders involved end-to-end

70+ Man-Years of Experience: Supporting startups, CPA firms, and global enterprises

Data Security & Privacy by Design: Role-based access, SOC-aligned controls

Local Compliance, Global Alignment: India execution aligned to US GAAP & global standards

Built as an Extension: Designed to mirror parent-company governance and controls

WHY AYVYA

GOVERNANCE BEFORE SCALE

Clear understanding of the requirements and challenges of the parent company before team formation.

Practitioner-led design aligned to controls, risk level & culture.

Built to scale without losing visibility and compliance.

WHO WE WORK WITH

Startups and **SMEs** scaling global finance operations

CPA firms extending capacity without staffing risk

CFOs and **founders** seeking governed offshore execution

Build global finance capability without losing control.

Speak with AYVYA about a governed, India-based delivery model that fits your business.
