AYVYA

DPIIT RECOGNIZED STARTUP

GOVT. OF INDIA VALIDATION OF STRUCTURED INNOVATION AND GOVERNANCE

CPA FIRM SUPPORT

PRACTITIONER-LED OFFSHORE CAPACITY IN INDIA
TRUE BUSINESS EXTENSION TAILORED TO YOUR FIRM

LOCAL COMPLIANCE. GLOBAL ALIGNMENT. PRACTITIONER-LED DELIVERY

WHAT WE DELIVER

CPA CAPACITY WITHOUT STAFFING RISK

- Audit assistance and review-ready workpapers aligned to firm standards
- Strategic financial planning and advisory project support
- Regulatory and compliance-oriented accounting assistance
- Specialized accounting and one-off finance engagements
- Predictable capacity extension during peak & growth cycles

Your India-based offshore team functions as an accountable extension of your CPA practice, not a detached back office.

HOW WE DELIVER

PRACTITIONER-LED. SECURE. PREDICTABLE.

Discovery & Alignment – Understand firm workflows, review protocols, and risk expectations
Governance Design – Define roles, approvals, escalation paths, and access controls
Dedicated Team Setup – Practitioner-led India-based teams aligned to your firm
Execution with Oversight – Structured reviews, dashboards, and partner visibility
Continuous Improvement – Scale capacity without compromising quality or control

WHO THIS IS FOR

- **CPA firms** scaling delivery without permanent hiring
- **Partners** managing seasonal or audit-driven workload spikes
- **Firms** seeking offshore support with audit discipline & control
- **Practices** that value transparency, data security & consistency

AYVYA APPROACH

GOVERNANCE BEFORE SCALE

- **In-Depth Alignment:** We understand your firm's unique audit standards, review discipline, and risk tolerance better than generic providers.
- **Custom Integration:** Our support is designed to mirror your internal controls and expectations.
- **Practitioner-Led:** Every engagement is led by experts with 100+ man-years, ensuring real-world execution.

WHY CHOOSE AYVYA

Practitioner-Led Delivery – Senior audit and finance professionals involved end-to-end
Data Security & Privacy by Design – Role-based access, secure handling, SOC-aligned controls
Local Compliance, Global Alignment – India execution aligned to US GAAP and CPA standards
Deep Experience – 70+ man-years supporting CPA firms, SMEs, and global clients

ENGAGEMENT MODELS

- Dedicated offshore CPA support teams in India
- Hybrid onshore–offshore delivery models
- Phased onboarding for audit season & steady-state work

Each model is tailored to your firm's size, workflow maturity, and client profile.

Extend capacity without diluting standards.

Speak with AYVYA to build a secure, compliant CPA support model in India, delivered with practitioner-led accountability.
