

AYVYA

DPIIT RECOGNIZED STARTUP

GOVT. OF INDIA VALIDATION OF STRUCTURED INNOVATION AND GOVERNANCE

MANAGED GLOBAL CAPABILITY CENTERS IN INDIA

TRUE BUSINESS EXTENSIONS TAILORED TO YOUR BUSINESS

LOCAL COMPLIANCE. GLOBAL ALIGNMENT. PRACTITIONER-LED DELIVERY

We design, build, and manage GCCs in India where AYVYA runs operations while you retain strategic control, IP ownership, and decision authority.

CORE GCC SERVICES

SETUP PLAN & LAUNCH

ACCELERATED, COMPLIANT GCC LAUNCH IN INDIA

Entity setup, labor compliance, IT, and infrastructure managed by AYVYA.
Talent hiring, role design, and operating model aligned to parent standards.

AYVYA handles execution. You retain ownership, roadmap &IP.

SCALE STABILIZE & GROW

PREDICTABLE EXPANSION WITHOUT OPERATIONAL DRAG

Structured team expansion with KPI-driven governance. Performance management, cost controls, and delivery predictability.

Scale capability without building local management overhead.

SUPPORT STEADY STATE OPS

DAY-TO-DAY OPERATIONS, FULLY MANAGED

Ongoing HR, admin, compliance, and delivery oversight. Audit readiness, quality governance, and continuous improvement.

Your GCC runs like a captive, without captive complexity.

NANO GCC TWO RIGHT-SIZED MODELS

SME Model: Right-sized GCC for growing firms. Fast launch, governed delivery, controlled cost.

Specialized Skills Model: Lean GCCs built for cutting-edge technology, analytics, and high-impact innovation.

Start small. Scale confidently. Stay aligned.

HOW AYVYA MANAGES YOUR GCC

MANAGED GCC OPERATING MODEL

AYVYA manages hiring, HR, IT, compliance, and daily operations.
Parent company controls strategy, IP, tools & priorities.
Structured SLAs & outcome-based governance, not just headcount.

This hybrid model delivers captive-level control with the speed of managed services.

WHY CLIENTS CHOOSE AYVYA

Practitioner-led delivery: Senior finance and GCC leaders involved end-to-end
Proven experience: 70+ man-years running GCCs for MNCs and startups
Local compliance, global alignment: India execution aligned to US & global standards
Tailored models: One size doesn't fit all. We understand you better.

Build a GCC That Fits Your Business - Not a Template

Speak with AYVYA about a managed GCC in India built for control, cultural fit, and scale.
