AYVYA

DPIIT RECOGNIZED STARTUP

GOVT. OF INDIA VALIDATION OF STRUCTURED INNOVATION AND GOVERNANCE

OUTSOURCED ACCOUNTING SERVICES

ACCURATE. SECURE. GOVERNED ACCOUNTING
TRUE BUSINESS EXTENSION TAILORED TO YOUR BUSINESS
DELIVERED FROM INDIA

LOCAL COMPLIANCE. GLOBAL ALIGNMENT. PRACTITIONER-LED DELIVERY

WHAT WE DELIVER

STRUCTURED OFFSHORE ACCOUNTING WITHOUT LOSS OF CONTROL

- Bookkeeping and financial reporting with disciplined month-end and year-end close.
- Payroll processing and compliance-aligned support.
- Tax coordination and documentation support.
- Budgeting, financial analysis, and management reporting.
- CFO-level advisory insights grounded in ops. execution.

Your offshore team functions as an accountable extension of your finance organization - not an isolated vendor unit.

HOW WE DELIVER

PRACTITIONER-LED. SECURE. PREDICTABLE.

Discovery & Alignment - Understand workflows, controls, risks, and reporting expectations.
Governance Design - Roles, approvals, review checkpoints, and access controls defined upfront.
Dedicated Team Setup - Practitioner-led offshore teams in India aligned to your processes.
Execution with Oversight - Structured reviews, dashboards, and leadership visibility.
Continuous Improvement - Scale capacity and efficiency without compromising control.

WHO THIS IS FOR

- **Startups** and **SMEs** scaling finance operations globally.
- **Founders** and **CFOs** seeking reliable accounting without an in-house build-out.
- **Businesses** operating across geographies with compliance sensitivity; value control, transparency, and data security.

AYVYA APPROACH

GOVERNANCE BEFORE SCALE

- **Strategic Alignment:** We tailor offshore accounting to match your parent company's culture, compliance, and control standards.
- **Security First:** Data integrity and security are embedded into the foundation of our design.
- **Practitioner-Led:** Our delivery is managed by seasoned finance professionals, ensuring real-world accountability and execution at every step.

WHY CHOOSE AYVYA

Practitioner-Led Delivery – Senior finance and audit professionals with 70+ man-years involved end-to-end.
Data Security & Privacy by Design – Role-based access, secure handling, SOC-aligned controls.
Local Compliance, Global Alignment – Accounting delivery from India aligned to US GAAP and international standards.
Built as an Extension – We align to your parent company's requirements, not generic outsourcing models.

ENGAGEMENT MODELS

- Dedicated offshore accounting teams.
- Hybrid onshore–offshore support.
- Phased transition and scale-up.

Each model is tailored to your operating maturity and growth stage.

Strengthen Finance Operations Without Losing Oversight.

Speak with AYVYA to build a secure, compliant accounting function with practitioner-led oversight.
